## Department Highlights

### Press Releases

With the assistance of the Madison Highway Department, we have installed a new Banner. This Banner will help alleviate confusion, inform the citizens that there is an office to speak directly with a deputy and conduct law enforcement business.

The Phone scams have been ongoing and prevalent all of this year. Fortunately we have not taken any where the complainant has fallen for, and given out any personal information or any funds. We will continue to post PSA's on our Facebook page to try and make the public aware of the type of calls they may receive.

The Division has purchased two new Stalker brand radar units. They were purchased through a Highway safety grant . The grant allowed the Division to purchase two for the price of one, this allowed an upgrade to the radar equipment that was aging.

We have free “School’s open drive carefully poster’s “,available at the Madison Division for anyone who would like one. They were provided by AAA. Deputies will also be distributing some to downtown business’. If you would like one, please feel free to contact us.
