## WHAT NOT TO BRING:

- ✓ **Asbestos:** Call ME Dept. of Environmental Protection at 1-800-452-1942.
- ✓ **Commercial or Industrial Waste:** Call ME Dept. of Environmental Protection at 1-800-452-1942 or EPI at 1-877-846-0447.
- ✓ **Infectious & Biological Waste:** Call your local Hospital for instruction on how to dispose.
- ✓ **Fluorescent lights, CFL's PCB ballasts, thermometers & thermostat's.** These items can be recycled through your local transfer station or Pine Tree Waste.

### **How much is a unit?**

A unit is 5 gallons or 20 pounds of hazardous waste. For example: 1 unit could be a 5 gallon bucket of rubber cement or a collection of several different smaller containers of chemicals, such as a gallon of paint thinner, a small bag of dry pesticide and a few old aerosol cans.

This program would not have been possible without the support of KVCOG, and Environmental Projects Inc. of Auburn, Maine, and our host community Skowhegan.

**Children should NEVER handle Hazardous Materials.**

## PRE-REGISTRATION INFORMATION

Please contact the representatives for your community. They will talk to you about:

- ✓ The items you want to bring to the collection day to make sure they are acceptable items.
- ✓ Schedule a time for you to come to the collection day event.
- ✓ Fill out a form for the items you will be bringing, collect fee (if applicable) and issue you a sticker that will allow you into the collection day event. Please note some communities are charging a fee. Check the other side of this flyer to see amount of fee, if any.
- ✓ Provide alternative disposal or recycling options for items that cannot be taken to the collection event.

### **How to Safely Transport Items**

- ✓ All items brought to the collection must be in sealed containers.
- ✓ Tighten caps and lids, leaving materials in the original labeled container when possible.
- ✓ Pack containers in sturdy, upright boxes and pad with newspapers. Sort and pack separately: paints, pesticides, household cleaners.
- ✓ **NEVER MIX CHEMICALS.**
- ✓ Place materials in vehicle, preferably in the trunk. Prevent box from tipping over in the car.
- ✓ Go directly to the collection site.
- ✓ **NEVER SMOKE** while handling Hazardous Materials.
